The series of sermons from the book of Romans was the longest undertaken by Dr. Martyn Lloyd-Jones. They were preached on Friday evenings from October 1955 until March 1968. Much of this material also appears in print, published by the Banner of Truth Trust, although editing for publication has resulted in specific chapters not always corresponding to individual sermons. These sermons are not edited, but are as they were originally preached in Westminster Chapel.

A WORD OF EXPLANATION

Purchase Price? — Now and then someone asks why our CDs and cassettes are sold and not loaned, or given away free of charge. We are not subsidised by any church, other organisation or body. The enablement of this work rests completely with our ability to produce material and sell it at a cost acceptable to the user and sufficient to meet our needs.

Gifts — These are always, as you can imagine, greatly appreciated. They are used to support the work and also enable us to give audios to missionaries and others serving abroad who otherwise would be unable to afford them. Although the greater part of our income is through sales, your gifts are a considerable help in the continuation of the work.

Our Guarantee to You — All our audios are carefully reproduced on high quality materials and with the best available equipment. However, even with the strictest quality-control procedures, a defective copy may occasionally escape detection. If you should receive a faulty copy, simply return it to us for prompt replacement.

Method of Payment — Purchases and contributions may be made by cheque, postal order, money order, Access, Mastercard, Visa, Delta or Switch. Sorry, we are unable to accept other credit cards, process C.O.D., or invoice for purchases.

ALL cheques should be made out to:
THE MARTYN LLOYD-JONES RECORDINGS TRUST

Postage and shipping policies - Postage and packing charges are calculated on a points system, using the number after the asterisk (*) of each item's Ref. No. Just add the numbers together and multiply it by the actual rate shown on the Order Form, up to a maximum top rate of 30 points in the U.K..

We aim to dispatch all orders within 2-4 working days of receipt, but please allow 21 days for delivery before contacting us.
